JUSTmove Sunday

Last Wednesday's event with JUSTmove was fun and inspirational. We were moving alright-moving up, taking space, moving back, making spaced, rising up, and sprinkling sunshine! Dave Scherer and Joe Davis-the duo that make up JUSTmove-are here this morning to lead worship to help us build bridges across cultural differences.

Membership Info Session

Today is a great day to be here if you are wanting to learn more about Diamond Lake Lutheran Church. An information session will be held after the service in the North Room. Ask an usher for directions. A light brunch awaits; please check in the Kathi Gallup, office administrator, and then get started while Pastor Andrea wraps up the service. Drop ins are welcome! Attending does not mean that you have to join. You may check us out and then decide. Those who do join will be formally welcomed during next Sunday's worship service.

Join the Clean Team

We are spiffing up the church to get ready for Open Doors (May 18 & 19) and summer events. Thanks to the Friday and Saturday teams! Meet in the Commons after worship for task assignments. There are family-friendly ones!

Welcome Hearts and Minds Learning Community

For more than a year, a dedicated team of folks has been working to fulfill one of the biggest goals of the capital campaign: to identify a partner to lease some of our renovated spaces. We are now looking forward to welcoming the sounds of children into our building and outside on the grounds all week long! Hearts and Minds Learning Community is an urban outdoors-first educational community for students ages 3–9.

Although the kids won't be here until September, the community is beginning to move into their space on the lower level now. The transition should be relatively seamless; it will not affect our current Sunday morning routines including during the school year. To learn more about HMLC and its unique outdoors curriculum visit www.heartsandmindslearning.com.

Greece Presentation

Remember when a blizzard came between us and learning about Pastor Andrea's trip to Greece? We should be all clear for May 5. Grab your coffee and head to the Lakeview Room after worship. We will learn more about following in the footsteps of the Apostle Paul as well as the dates that have been selected for the congregational trip to Greece and Türkiye!

By this time next week, the Minneapolis Area Synod will have a new bishop. The **Synod Assembly** opens Thursday with the election of a new bishop and other synod leaders on the agenda. Prayers welcome for our delegates: Pastor Andrea, Kris Pearson, Sean Laird, and McKenna Laird.

Sunday Supper is this afternoon here at the church. Enjoy the Richfield Silvernotes at 4 and then dinner at 5. Free and open to the public.

This weekend's **Scouts car wash** was cancelled because the weather didn't look promising. They were hoping to raise funds for high adventure camping experiences. If you'd still like to make a donation, please contact the Troop Treasurer at krisgerber@yahoo.com.

A **Lost & Found** table is set up in the Lakeview Room. Please check it out, especially if you are missing some winter gear or coffee tumblers. Items not claimed will be donated or tossed this Friday.
